in the vineyard  
Wine-growing Area: Coastal area

about the harvest  
All grapes were hand picked.

in the cellar  
All grapes were hand picked and sorted before being crushed directly in to the press were skin contact was allowed for 8 hours. Inoculated with our yeast cultures after pressing the juice fermented at 16 degrees celcius. 30% of the wine was barrel fermented. Extended lees contact was allowed after fermentation and the wine was allowed to naturally clarify under gravity prior to filtering, blending and bottling.
