food suggestions

Good for sundowners or enjoy with light meals. Served well chilled, this wine is well suited to any seafood, pasta, salads and cold meats. Also delightful on its own!

about the harvest

All grapes were hand picked.

in the cellar

All grapes were sorted before being crushed directly in to the tanks where skin contact is allowed for 4 hours. 6% - 15% of each variety were extracted and inoculated with pure yeast cultures to optimize fermentation at around 16° C. The wine was allowed to naturally clarify under gravity prior to filtering and bottling.
