main variety Chenin Blanc

# nalysis alc: 13.72 | ph: - | rs: 55.1 | ta: 4.89

type 0

producer Mellasat Vineyards winemaker Mellasat Vineyards wine of Paarl

## tasting notes

n unfortified dessert wine, only made in certain vintages, from partially sun dried grapes that re subsequently air dried on racks to concentrate the sugars. Using Chenin Blanc bush vines nat are over three decades old the wine was barrel fermented and matured for two years in n American oak barrel. With hints of matured marmalade leading to honeyed apricots nakes this delectable wine ideal to drink with either sweet or savoury food.

### ogeing potential

latured with new American oak for 12 months

elend information 00% Chenin Blanc

#### food suggestions

lue Cheese, drizzled over fruit salads with ice cream, apricot parfait, lemon tart, passionfruit art and Baklava

#### in the vineyard

ine Age: 33 Years oil: Decomposed Granite rigation: Most of the vines are bush vines with no irrigation but are supplemented with some ellised vines

obout the harvest

arvest: 9th March 2016 - 17th May 2017

### in the cellar

2016 Vintage: Yeast (Laffort X16) was inoculated after four days of juice settlement then fermented for 15 days when fermentation was stopped. After racking the wine was sealed in a tank until the 2017 juice was added. After blending the wine matured in the tank with new American oak for 12 months. The wine was fermented in an American second fill oak barrel.

2017 Vintage: The grapes raisined on the vine. After harvest the grapes were pressed in a basket press. The juice was settled and once clear, blended with the from 2016 The wine was bottled after careful 'racking'. The wine was filtered at bottling using a one micron filter.
